PLUNKETT FOUNDATION'S GUIDANCE NOTES FOR USE OF THESE MODEL RULES

These Guidance Notes are not part of the Model Rules and are not formulated by the FCA

Using these Model Rules

The use of model rules for the registration of new societies is intended to save costs on application. At the current time (February 2017), an application to register a new society using model rules without any amendments to the model costs £40. The costs increase as the number of amendments to the model increases (between 1 and 6 amendments - £120; between 7 and 10 amendments - £350; 11 or more amendments - £950). Completing blanks in the model (eg inserting the name of the society) does not count as an amendment.

Rule 1.1 Insert the proposed name of the Society. The name, which will include the word "Limited", needs to be available and acceptable, and for guidance on this see:
<https://www.fca.org.uk/publication/finalised-guidance/fg15-12.pdf>

Rule 1.2 The registered office, which is the place to which all communications and notices to the society may be addressed, must be in Great Britain or the Channel Islands.

Rule 3.3.1 The model rules provide for a minimum age to be specified. Unless a minimum age is stated in the rules, the law presumes that there is no minimum age for members. Where under these rules substantial share capital is to be raised from members, Plunkett Foundation recommends that legal advice is taken if the minimum age is to be lower than 16. Subject to that, it recommends that the minimum age is not lower than 14.

Rule 3.3 It has been suggested that 51% of the total membership should be comprised of local residents. This could be hard to police or enforce. It can be up to the Board to use 'reasonable endeavours' to ensure that at all times at least 51% of members are local.

Rule 5.1 The recommended size of a Management Committee is for a maximum number of 12 members.

Rule 5.8 The statutory minimum age for serving on the Management Committee is currently 16.

Rule 5.9 The Management Committee must adopt a code of conduct. A template code of conduct is set out following these Guidance Notes below, which can be adopted in that form, or amended.

Rule 5.11 Where possible, it is preferable for the Chairperson, Secretary and Treasurer to be elected from amongst the elected members of the Management Committee.

Rule 7 It is our preference that no new rule should be made or any of the rules repealed or altered without first discussing the suggested changes with Plunkett Foundation.

Rule 8

These model rules only provide for withdrawable shares. No member of a registered society may have any interest in the withdrawable shares of the society exceeding £100,000 being the statutory maximum, with limited exceptions.

While a society can increase the shareholding limit in its rules to £100,000, it should consider, based on its circumstances and the views of its members, whether it is appropriate to do so.

Community Shares Unit guidelines advise restricting the maximum individual investment to 10% of its total capital requirements. This will reduce the risk of the society being dependent on larger investors, which in turn could create liquidity problems if a larger investor wants to withdraw share capital. Exceptions can be made for institutional investors, as long as safeguards are in place to protect the interests of other members.

<https://communityshares.org.uk/resources/handbook/minimum-and-maximum-shareholdings>

It is recommended that a society should seek legal advice if it wishes to amend these model rules to permit shares that are not withdrawable.

Rule 8.4.1 This rule is most often applied during a start-up period. If in the future you want an open offer for members to join or leave the Society on a regular basis, this three year period should be reviewed.

Rule 8.4.2 Application for withdrawal – if withdrawals are to be made available from trading profits rather than reserves, the management committee, at their absolute discretion, can allocate a proportion of profits for the repayment of share withdrawals. This means that withdrawals will be made after the Society's year end and any requests that cannot be funded from that years allocation will need to be carried forward until the following year, or until the request can be met. We suggest a withdrawal policy be made available or included in an application for withdrawal that explains that withdrawals may not be paid immediately following three-month's notice period.

Rule 8.4.5 Plunkett Foundation recommends issuing a withdrawal policy to make the terms clear to investors. You may want to consider distribution on a pro-rata basis if applications for withdrawals are over-subscribed.

Rule 8.5 Plunkett Foundation recommends issuing a payment of interest policy to make the terms clear to investors. This may be by deciding a minimum level that attracts interest in line with the rules, whether payments will be made by adding to a share account or by vouchers, bank transfers etc.

Rule 9.6 A deposit for the purpose of 9.6 is referring to deposits as defined by regulation 5 of the Financial Services and markets Act 2000 (Regulated Activities) order 2001. The definition of the Order classes deposits as either:

- Money received that is lent to other; or
- Money used to finance to a material extent any other activity of the deposit taker.

Our advice is that this excludes reverse credits.

Rule 10 These provisions apply where these model rules are adopted upon first registration. Where that is not the case, these provisions should be deleted.

Rule 11 These provisions apply where these model rules are adopted on a complete change of rules. Where this is not the case, these provisions should be deleted.
